Dear Parents,

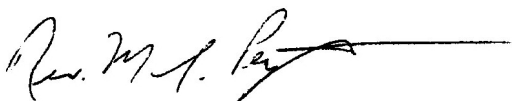

In an effort to prepare as well as possible for the 2010-2011 school year, Father Peyton and I have attended meetings this past fall to discuss with other Parma pastors and principals how we can better collaborate and cooperate to benefit each of our schools and to plan for the future. The vast cuts in Auxiliary Services from the public school district, for example, has made a great impact and we all realize how important it is to share resources, including materials and staff, to better serve our school populations.

One of the things we agreed to do was to have a standard time for re-registrations in our schools. We would then have an idea of the number of students returning so we could order books and materials appropriately as well as determine the number of staff needed and the numbers of days each "special" teacher would work in our buildings. This would include public school staff who serve as remediation teachers, psychologists, speech pathologists, etc.

The re-registration period is **NOW through Friday, February 12, 2010**. While we know this is earlier than it has been in the past, we are asking that you complete the re-registration form and return it to school with a minimum of \$60 of the \$125 non-refundable re-registration fee as a deposit. That will insure that your child has a place for 2010-2011 and that we know he/she is coming.

Thank you so much for your cooperation in this matter. Our next meeting with Parma pastors and principals is in mid-February and we need to have this information so we can remain good stewards of both school and parish finances.

God bless you and your family in this new year.

Rev. Mark J. Peyton  
Pastor

Sincerely,
